

**NOW HIRING:
RN**

cmc:berkshires

is looking for a great nurse for a minimum
of four 4-hour weekend shifts per month!

CMC:Berkshires (www.cmcbarkshires.com) is a 13 bedroom high end substance use disorder treatment program housed in a beautiful 120 year old mansion on 200 acres in New Marlborough, MA near Great Barrington. We are looking for a mature, responsible, experienced nurse for triage and evaluation of acute medical conditions, implementation and coordination of care of clients including medication management, and client education and support. Must be comfortable working independently (with additional phone support as needed).

Must be licensed by the Massachusetts Board of Registration in Nursing. Excellent communication skills and interest in working in addiction-related environment also required.

Market pay commensurate with experience plus many perks including: employee wellness program, meals, awesome coworkers.

**To apply, send cover letter and CV to cmcb-jobs@motivationandchange.com.
NO CALLS, PLEASE.**
