

In the Spotlight...

Our Mission – The mission of The Inn at Sweet Water Farm is to provide personalized comfort that allows our guests to relax, refresh and rejuvenate while vacationing in the Berkshires. We accomplish this through creating a unique home away from home experience with 6 well-appointed guest rooms, peaceful common spaces inside and outdoors, an off-menu seasonal breakfast and knowledge of the wide array of cultural attractions, outdoor activities, restaurants and shopping in the region.

Our Background – The Inn at Sweet Water Farm opened in 2006 and quickly became Great Barrington’s top-rated Inn. Featured in Yankee Magazine as “The Best B&B for Foodies in the Berkshires.” Robbie Bogard & Robert Kronenberg purchased the Inn last Spring and the reviews have remained consistent, highlighting the personalized comfort and delicious breakfasts. Robert brings his passion for cooking and experience in the catering and event industry. Robbie has been a psychotherapist for over 25 years and a kundalini yoga teacher. Together they love entertaining and often hosted backyard concerts at their home.

Our Blueprint for Success – The success of The Inn at Sweet Water Farm comes from Robbie and Robert’s attention to detail, exceptional listening skills and emphasis on personalized service. They provide a true home away from home for guests and locals alike, tailoring the experience to guests’ needs and desires. The success of our breakfast comes from our commitment to high quality, seasonal, local ingredients and eggs from our own free-range hens. In response to local residents’ requests, the Inn now offers *breakfast to the public* (by reservation only) delivering an intimately delicious experience. In addition to breakfast with friends, the living room and breakfast rooms are ideal spaces for hosting small business meetings and social gatherings.
