

## In the Spotlight...

---

**Our Mission** – Kimball Fuel provides worry free automatic delivery of home heating fuel and the installation and service of only the best brands of heating systems for our customers.

**Our Background** – The Kimball family has been serving many generations of families proudly for over 70 years. Kimball Fuel continues that tradition. Our company combines true traditional values with the best technological advancements. Our yard and facilities are fitted with the latest in anti-pollution systems and reflect our sincere concern for the environment. All of our trucks and equipment are modern and meticulously maintained. Our dedicated staff has a combined total of 140 years of experience of keeping our customers warm even through the most challenging of heating seasons.

**Our Blueprint for Success** – At Kimball Fuel our customers are not just an account, but a long-term relationship. Pride in our products, our trucks, and our staff is what drives us to deliver our very best. At the heart of our business, though, is a strong sense of community. We know that our customers are also our neighbors and deserve our very best.
