

CNA Openings - all shifts part time & full time

At Geer, we consider hiring to be the most important thing we do, so we work hard to find that special person who will be as dedicated to our residents as we are. Your main responsibility will be to provide personal care to residents such as hygiene, grooming, mouth, and denture care.

You must be a Certified Nursing Assistant who is on or eligible to be entered into the Connecticut Nurse Aide registry without restrictions. We will pay for reciprocity.
