

## RN Openings - all shifts per diem & full time

At Geer, we consider hiring to be the most important thing we do, so we work hard to find that special person who will be as dedicated to our residents as we are. Your main responsibility will be to provide personal care to residents such as hygiene, grooming, mouth, and denture care.

You must have the minimum education of a Registered Nurse degree from an accredited nursing school, college, or university. You must also have a current, unencumbered RN license in accordance with the laws of the State of CT as well as CPR certification. Experience in geriatric nursing is preferred. We will pay for reciprocity.

- 7am-3pm shift
- 3pm-11pm shift
- 11pm-7am shift
